This event takes place at the **Vancouver Convention Centre West Building Canada Pl, Vancouver, BC V6C 3G3,**

Please click on this link for Google maps itineraries, that can be used for directions from your preferred starting point

This document includes:
- Tips and tricks for getting around
- Workroom locations
- Floorplans
- Meeting and training room locations
- Exhibition floor plans

ISC156 Tips & Tricks

- **The Airline Lounge provides <u>free seating</u>** for airlines to power up devices in between appointments (if required) and to take short meetings between airlines. Airlines are encouraged to use the designated **Airline Meeting Point** (only one will be used at this conference) located at the **Airline Lounge Entrance, Level 1, Ballroom Lobby,** to meet with their colleagues, then take a table for their meeting.
- **The Coordinator room is situated on Level 1, Ballroom C&D can be accessed from the Airline Lounge, Ballroom Foyer and Ocean Foyer, giving access to the workrooms located on the Burrard side of the building.**
- Coordination organizations located within the main Coordinator Room, will have their locations allocated alphabetically by country name and their table numbers will be displayed on plasma screens within the room.
- **The IATA Slots Team's workroom is situated on level 2, Room 223-224, next to the Presentation Room,** where all presentations (including the Head Delegate meetings) will take place. **This is easily accessed by an escalator on Level 1, opposite Room 118.**
- **The Exhibition Area, Exhibition Level (below Level 1)** will host the Speaker Zone where program sessions and refreshment breaks and lunches will be located. This is accessed near Registration on Level 1.
- **Registration, the Info Booth and Slot Desk** are found outside of the Airline Lounge, Level 1, Ballroom Lobby.

Appointment Strategy

- View floorplans and workroom locations you wish to visit and plan your appointment strategy.
- You may wish to group your appointments that are located within the same area of the conference venue to save yourself time.
- Don't assume all coordinators and airlines are located in the main meeting rooms; some groups take workrooms, and their locations can be found on page 3 of this document.
- **We strongly advise delegates to familiarize themselves with the floorplan when registering onsite on Monday 16th June, before the conference starts.**
- Use the floor plans shared on pages 4-6 of this document to plan and work out your routes to and from your meetings.
- Leave space between your appointments to ensure you won't be late for future appointments.

Kindly note, this information is meant as a quick guide to help familiarize you with the IATA Slot Conference venue floorplans prior to your arrival. These tips are subject to change and are not meant to replace good judgment. IATA cannot be held responsible for the appointment strategy of ISC delegates.
